Income generation or funding processes

1. World Sustainability Organization S.r.l. (WSO) invoices companies with certified products for yearly royalty fees for the use of the FOS registered trademark.
 - 1.1 The standard royalty fee of 2.000 Euros per product is adapted to countries' standards of living, company size and revenue, type of product to be certified.
 - 1.2 A standard royalty per freezer vessel of 3.000 Euros is applied with 20% discount for more than 3 vessels to be audited.
2. Detailed information regarding annual royalties is available in the [Friend of the Sea Annual Royalties price list](#).
3. Associazione Friend of the Sea receives donations from WSO and potentially from other foundations.
