Circular 0121

TO: Accredited Certification Bodies

IN COPY: National Accreditation Bodies

To Whom it may concern.

due to prolongation of Covid 19 emergency, the World Sustainability Organization authorizes Friend of the Sea surveillance audits' extension for a further 12 months, in case companies' financial or technical situation does not permit the carrying out of remote or onsite audits.

Further extensions may be considered accepted in the future, again based on Covid 19 emergency.

In faith,
