Circular 0222

TO: Certification Bodies under accreditation

IN COPY: National Accreditation Bodies

SUBJECT: Sentence to be included in the certificates by the Certification Bodies still under the national accreditation process

To Whom it may concern.

With this circular Friend of the Sea requires all Certification Bodies that are still under the national accreditation process to include the following sentence in each Friend of the Sea certificate issued: "**Name of the CB** is still under the national accreditation process".

This circular is effective immediately and it will be not anymore applicable once the national accreditation process will be positively concluded.

In faith,

Paolo Bray
Director and founder of Friend of the Sea
