

Milan, 31th January 2023

Circular 0223

To whom it may concern,

Subject: Surveillance audit against FOS Wild 3.1 after the end of the transition period to the FOS Wild 4

Due to the incoming ending of the transition period between the standards of certification FOS Wild 3.1 and FOS Wild 4 on date March 18th, 2023, we communicate that companies audited before this date against the standard FOS Wild 3.1, can be audited during the surveillance audit still against FOS Wild 3.1.

The recertification audit must be performed against the FOS wild V. 4

In faith,
Paolo Bray
Director and founder of Friend of the Sea

A handwritten signature in black ink, appearing to read 'Paolo Bray', written in a cursive style.
